Rapid
REWARD FULFILLMENT

Our services help protect member's identity and finances from theft and fraud. Members will receive protection from the major types of identity theft with robust monitoring and a team that works to get their ID back should it be stolen.

Our in-house marketing team can develop a fully custom white label program to meet your needs. From customer service and benefit fulfillment to web design, print production and mailing services – Rapid Reward Fulfillment is your simple turnkey solution.

ID Protection & Restoration

ID Monitoring

Our unique and proprietary methodology proactively searches thousands of financial and non-financial databases to detect the early stages of identity theft.

ID Risk Scores

Our proprietary and predictive analytics tool searches millions of records to provide you with a risk score.

ID Restoration Services

Our highly trained fraud resolution specialists will work with members to repair any damage and restore their good name to its pre-theft condition.

Identity Theft Insurance

Choose between a \$25,000 or a \$1 million insurance policy to meet the needs of you customers

Digital Vault

Provides a place to securely store, share and access all of your important documents, photos, emails and passwords. It provides the same safety, security and privacy as a Swiss bank account.

Secure Email Account

Your email and attachments can only be viewed by intended recipients. It's highly secure and stored in a secure data vault.

Secure Web Tool for Online Activities

The Secure Web Tool that allows you to protect your data like your credit card number, account numbers passwords and more as you are online at home or away anywhere in the world.

Password Manager

Makes it easy to use a strong and unique password for every website.

Legal & Finance

Family Legal Plan

Members have access to a nationwide network of plan attorneys that will provide free and discounted rates and services.

Finance Tools

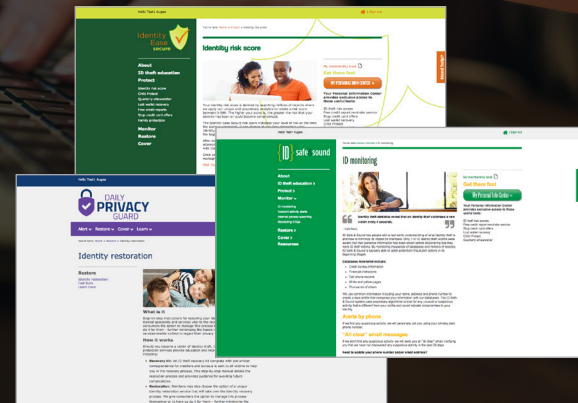

Available around the clock, our Online Resource Center offers a wide range of educational materials, tools, and information to guide your members through their financial questions and concerns.

Financial Counseling

Live, confidential, objective guidance from experienced, accredited financial counselors (unlimited access)

Tax Hotline

Tax and financial assistance is provided by tax attorneys, financial analysts and tax professionals.
